Multicolours on a striped background

Blue on a yellow background

Blue on a yellow background

Amaranth on a yellow background

Iridescent green on white and yellow striped background

Blue on white background

Amaranth on yellow and white background and green lines

Jug size: 13xH17 cm

Jugs

These jugs are decorated with natural sponges carefully engraved with a fine incandescent wire to produce a negative relief. The stencil is then subsequently dipped in diluted colours and pressed lightly on the ceramic surface.

The repetition of the covering creates the pattern that characterises the object.

The technique has centuries of life and it is increasingly difficult to find craftsmen capable of still achieving designs like this.

Blue on smoked blue and white background

Multicolours on a colourful background
